EVOLVEO StrongPhone Q8 LTE

POWERFUL WATERPROOF SMARTPHONE WITH 4G/LTE SUPPORT

Plenty of power and speed for multitasking is provided by 64-bit Octa-Core processor, fast Mali-T760 GPU and 2GB RAM. The MediaTek CorePilot technology provides the full performance of eight CPU cores. These 8 CPU cores can be managed individually, turning them on and off as your needs demand, preventing battery drain. The 16GB internal memory provides enough space for all your favorite applications, maps, music or movies. The memory can be extended with a microSDHC card.

Fast 4G/LTE data

The smartphone supports high-speed 4G/LTE networks. This enables you to maximize your potential for the fastest web browsing possible.

Waterproof Android smartphone

Water resistance is certified according to the IP68 norm, the phone is dust tight and protected against the effects of immersion in up to 1.2 m of water for 60 minutes. The design of the phone meets the conditions of the tests DoD (United States Department of Defense) MIL-STD-810G:2008

Unique protective frame

The ergonomically designed body is covered with a fine rubberized surface and is solid. The „SolidStone“ protective inner frame is made from Magnesium using highly advanced technology. This Revolutionary frame gives the phone high functional endurance, protecting it from shocks and falls.

Specifications

- Waterproof, complying with IP68 Specifications. (1.2 m column of water for 60 minutes)**
- Rubber coated rigid surface with a magnesium inner frame
- shock and vibration resistant
- Mediatek True8Core quad core processor 1.7 GHz
- 13.0 Mpix camera, Full HD recording
- 2 GB RAM
- 16 GB internal memory with the ability to use your own microSDHC/SDXC (up to 64 GB)
- NFC
- Mali-T760 GPU with Open GL ES 3.1 support
- 4.5" Gorilla Glass 3 touchscreen
- 1,280 * 720 px display resolution with automatic brightness adjustment
- IPS screen with 16.7 millions colours and wide viewing angles
- Android 4.4.4 Kit Kat operating system
- 2.0Mpix front camera
- FullHD video recording (1920 x 1080 pix)
- Dual SIM mode - two active SIM cards in one phone (micro SIM + standard SIM)
- Only one SIM card needs to be inserted and active for proper operation
- GSM: 850/900/1800/1900 MHz (GPRS/EDGE)
- WCDMA: 850/900/1900/2100 MHz (3G)
- HSDPA/HUSPA/HSPA+/LTE: 800/1800/2100/2600 MHz (4G, Cat 4)
- GPS/WiFi/FM radio
- Bluetooth 4.0 (BLE/Smart)
- Tethering and portable WiFi HotSpot support
- MicroUSB connector for power and computer connectivity
- E-compass, light sensor, proximity sensor, G sensor
- SOS button
- integrated high capacity Li-Polymer 3 700 mAh battery
- Dimensions 151 x 75 x 15 mm
- Weight 240 g (battery included)

Package content

- Waterproof rugged EVOLVEO StrongPhone Q8 LTE smartphone
- 3.5mm stereo headphones with hands-free
- 230 V USB charger
- MicroUSB cable
- User guide
